

## **#Journal/Primary**

Elan Journals are designed to promote use of both the left and right side of the brain. Anyone can “get stuck” trying to think of what to write. It helps to have OK doodle space to sketch or draw that may free up the “wordy side of the brain” and allow the “picture side of the brain” to run with ideas. Very often, given creative time, thoughts fly and words come!

50 pages

edition **#Journal/Primary**...8 1/2" x 11"
